Newsletter

22nd November 2024

Issue Number 6

Hello Families,

Winter hit us a little early this week! Although Pickering was reasonably clear of snow some of our children with a longer journey needed to leave school early. To enable this to happen we have to speak to parents to ensure children are safe to go home. Thank you to families who were rapid in their response. Please do ensure that we have up to date contact numbers and that there is someone who is able to take a call from Lady Lumley's, whatever the need. Full credit to our hardy Year 11 who remained for Geography Study Plus on Thursday!

Our Year 11 start their PPEs on Monday, giving all of us a clear picture of what areas to focus on in preparation for GCSEs. Fantastic to see Year 11 using Study Plus to take advantage of additional teacher support.

Proud Thursday was a bumper week! Well done to all our students who brought their beautiful work to share. Mr Davis is working on our Christmas build up alongside Mrs Thompson and Mr Fairclough.

Thank you to all families who have attended Parent/Student/Teacher evenings so far; Year 13 this week and Year 11 next week on Thursday 28th November. Please do keep logging onto MCAS to get up to date behaviour information and updates from Lady Lumley's.

Clair Foden
Headteacher

November news from the library

The winter weather outside matches the Santa's workshop feel of the library office! We have taken delivery of the Book Buzz books that are eagerly awaited by our Year 7 and Year 8 students, and I have been busy sorting them into boxes for delivery to classes over the next two weeks during library lessons. I'm looking forward to seeing their excited faces and the timing is perfect for holiday reading as we approach our winter break.

I have recruited some KS3 students to the position of Library Ambassador, which means they get to wear a purple lanyard, giving them access to the library during break times and in return they will help me with a range of library tasks including shelving books and setting up displays. We are very lucky to have students who are eager to serve our community and who take their roles with pride and seriousness.

I hope you all have a pile of books to keep you company during the short and chilly days ahead – let me know if there's anything I need to add to my must-read list!

Happy Reading!

Ms. Rueth
Learning Resource Manager

YOLO - An Invisible Man

As every year, Year 9 were fortunate that Stephen and Maria from An Invisible Man Theatre Group were able to come in and perform YOLO (You Only Live Once) followed by a workshop. The play and workshop explored what risk looks like, how we manage it and the potential consequences when we misjudge situations, particularly linked to alcohol or drug consumption. Year 9 were, as expected, a credit to the school and both Stephen and Maria passed on how impressed they were with our students' engagement with the play and workshop. Stephen and Maria will be back later in the school year to work with Years 7, 8 and 10. We're also looking forward to welcoming the NSPCC in January as part of their outreach programme using Theatre in Education to explore issues around coercive relationships.

Anti-Bullying Week

Last week in assembly, Mr Heeley talked about the importance of showing each other respect, why it was important and how it might look. Students were reminded about where to seek support if they are worried about themselves or other people being bullied (see below), with a dedicated space on the Lady Lumley's website which can be accessed here: [Lady Lumley's School - Pastoral Wellbeing](#)

Where can I get help?

- Pastoral Team
- Any staff member in hi-vis
- Any staff member in school
- Trusted grown-ups at home
- A trusted friend

Support and Advice in School

All staff in school are trained in listening if you are experiencing problems or even if you have concerns about any other student in school - we are all here to help.

Every student is part of a tutor group and speaking to your Tutor is an ideal place to start if you are experiencing any problems. Alternatively, you may wish to speak to your Pastoral Support Officer in Student Support for guidance or advice.

The staff in school have access to a number of external support agencies where needed and can help you with this contact if required.

Mrs Jackson is also a useful person for you to know in school and is there to help and support you, so feel free to speak to her too.

Mrs Jackson
Designated Safeguarding Lead
School Coordinator

Mr Davis
Deputy Headteacher
Deputy Designated Safeguarding Lead

Mrs Thompson
KS3 Leader

Mr Fairclough
KS4 Leader

Mr Carter
Head of Sixth Form

Mrs Hodeman
Behaviour Lead

Online Safety

Given how attached we have all become to our phones, this article is a really interesting read about some of the potential online risks our young people might come across online, aside from the obvious. The internet is constantly evolving, and the dangers which lurk within are constantly evolving with it!

[How social media is feeding our children quack health tips, toxic masculinity and soft porn](#)

Mr Heeley

Personal Development Lead (i/c Careers, Life, RE)

Cycling Achievement

On 27th October Ezra B competed in the Cycling Time Trials National Hill Climb Championships, which was held in Hexham, Northumberland. Riding for Clifton Cycling Club, Ezra was competing in the junior category, which includes riders up to the age of 18. Ezra achieved his goal of getting on the podium, finishing third in the junior category, and also winning his age group medal for fastest 14 year old rider with a time of 3mins 40.3s. He may be the first under 16 rider to get on the junior podium at the National Championship.

Well done Ezra!

Drama News

We have a busy year in Drama!

We have already done a model box project where students created sets for scenes from A Midsummer Night's Dream; they will receive feedback on their sets from two set designers working at the Stephen Joseph Theatre.

We have completed the auditions for A Midsummer Night's Dream and began our read through earlier this week. Rehearsal schedules will be issued once we have finished the read through next week. On Thursday 28th, we will need cast members with larger speaking parts until 4.45pm; small / non-speaking parts can leave at 4pm.

Some exciting events coming up: GCSE Drama & Music residential to London on 12th & 13th December; a group of Year 8 students have been invited to see Blood Brothers in York in April; I have also booked for GCSE Drama students to see North by West in York; and there will be a SJT Experience Day for selected students in Year 9 - more information to follow!

Sarah Goodwill
Head of Drama

Outdoor Education news

Year 10 DofE

A gentle reminder that the deadline of 1st December is approaching. For this deadline students **must have uploaded** at least 1 assessor's report to their eDofE account in order to attend the training expedition in January. Students have had lots of training and support on how to do this. To support students next week, Mr Mann will be offering:

- An EdofE drop-in session for any last-minute support. Please come to this session if you need help uploading assessor reports or have issues with EdofE. Monday 25th November 3pm - 3.30pm in GO1.
- Paper copies of the assessor reports are available to collect from GO1 all next week.

Outdoor Ed club

There will be 2 climbing sessions this term, followed by a visit to a local climbing wall (dates tbc). The climbing sessions will take place on Thursday 28th November and Thursday 5th December at 3.15pm until 4pm on the school's climbing wall. During this course we will look at developing effective belaying, coaching climbing skills and developing our climbing fitness. There are still a few spaces - sign up with Mr Mann asap.

Mr Mann
Outdoor Education Lead

School Transport

We are speaking to students about the importance of wearing a seatbelt on school transport as we are aware some students are not using the seatbelts. Where a seatbelt is present it is a legal requirement that students wear them. The only transport that doesn't have seatbelts are the 128 EY buses. Students on all other transport need to use the belts on every journey. We have also asked the drivers to remind students on each journey. We would be grateful for your support encouraging your child to put their belt on as normal practice as they would do when going in a car. Any issues please email v.smallwood@coastandvale.academy. Many thanks.

Mrs Smallwood
Business Manager

Memo from WIMT

Friday - 29th November

Freya and Leigh from the Wellbeing In Mind Team will be in school with some information and activities around Resilience and exploring your "mindset". Find them near the dinner hall on your lunch break to chat to them.

Pomoc Project

Working with migrants from Eastern European communities, in the Scarborough and Malton areas, to access advice and support, including signposting to other support organisations.

The project aims to gain an insight into the community, their needs, issues and aspirations and supports the communities to achieve these aims.

Pomoc sessions are run by either a Polish or Romanian speaking adviser, but we offer advice to all EU migrants.

If you would like to see one of our advisers please attend any of our outreach sessions, or contact us on our dedicated telephone helpline or email address.

November 2024 outreach sessions

- 26th – Ending Violence Against Women event, Derwent Arms, Norton: 14.30 – 16.30
- 27th – Malton / Norton Community drop in: Contact [01748 902902](tel:01748902902) to arrange an appointment
