

# Weekly Wrap-Up

Monday 18th November 2024

## Important Info

**Week commencing 18.10.24 - Menu Week 2**

**5BT will soon be starting their swimming lessons. Information will be sent via MCAS**

**A huge thank you to everyone who donated for Children in Need, we raised a whopping £380!**

**Details will be sent home today regarding a Year 1 visit to St Laurence's Church**

## Update from the head

Hello everyone,

My apologies for sending this newsletter out on a Monday. We will be back to sending this week's newsletter on Friday, as normal.

Last week, the children and staff raised an incredible £380 for Children in Need - an amount, we should all be very proud of.

The children in Y4 enjoyed a trip to the Buddhist Centre, where they enjoyed learning all about this faith. I was visited by many children upon their return, telling me all about their day. It was wonderful to hear.

I am thrilled to have my first meeting, this Friday, with my Junior Leadership Team in which I am looking forward to hearing their views about how we can continue to grow our school for the future. If your child has any suggestions on this, the JLT would love to hear from them at break or at lunch.

It was my pleasure to welcome our school Governors into school on Wednesday. If you are interested in becoming a parent Governor, please do contact the school admin to register your interest.

Thank you, as ever, for your wonderful support.  
**Mr Wriglesworth**

## Diary Dates

### Dates For Your Calendar

#### Autumn Term

#### Next Week

**26.11.24** 5BT Swimming Lesson

**26.11.24** Year 1 visit to St Laurence's Church

#### For the future

**11.12.24** KS2 Carol Services

**12.12.24** EYFS Nativity

**17.12.24** Year 1 Singing Performance

**18.12.24** Christmas Fair

**20.12.24** School closes for Christmas holiday

## DREAMS Point Winners

### Team Success

## Class 0C & 0S

This week we have continued to talk about different celebrations. We found out about Remembrance Day and made poppies using patterned scissors. We also learnt about the Hindu Festival of Light 'Diwali' and made Rangoli patterns.

In maths we introduced 4 and 5. We talked about different ways of representing the amount, looked for them in the classroom and began to think about one more and one less.

In phonics we learnt four new sounds; Y Z QU and CH.

## Year 1

### Class 1A & 1S

Who's are these footprints and where do they go? That was the question we have been wondering in our Talk 4 Writing sessions. We have been retelling the story of The Gruffalo's Child and writing some great time openers ready to write our warning stories.

In design technology we have been learning about wheels and axles. We first made axles with construction kits before making them with wood and cardboard.

In history we found out that the boat was the first mode of transport invented and looked at how they have changed. We also looked at the different uses for boats such as moving things, rescue, holidays and for fun.

A little reminder that we now have 2 PE lessons. Both classes have PE on Monday. Miss Scuffham's class has their second lesson on Tuesdays and Mrs Allenby's have theirs on a Wednesday. Please can we have PE kits in on these days.

## Class 2S & 2MT

In PE, we have been practicing our chest passes with netballs and developing our dance skills.

The children have been architects and designers this week in Design Technology. They have made 3D shapes using nets and created mock-ups. They have tested different joining materials to see which are the strongest and most appealing.

In RE, we have been learning about Advent and why Christians celebrate Christmas.

## Class 3C & 3WR

In P.E., the children have been busy building their netball and dance skills. In netball we focused on mastering the chest pass and practiced moving the ball around the court without running with it.

In dance the children enjoyed moving their bodies to an upbeat, energetic song, experimenting with rhythm and creative movements.

This week in science, we have been learning all about the purpose of a skeleton. The children explored how our skeleton supports, protects, and allows us to move. They also had fun labelling and identifying the bones in a human skeleton—ask them if they can point out where the ribcage and skull are.

In Design & Technology, the children learned about the German architect, Mies Van Der Rohe, and his iconic designs. They showcased their creativity by crafting miniature mock-ups of the Barcelona Chair, using different materials and joining techniques.

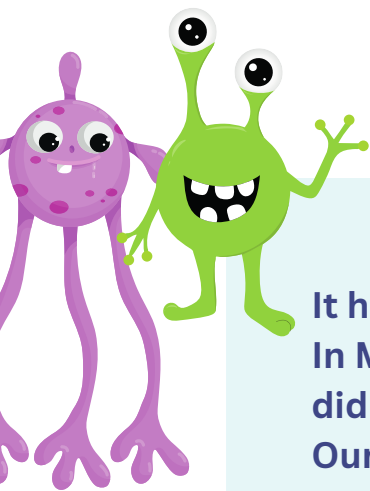

## Year 4

### Class 4S & 4M

Year 4 have been so busy this week. Our highlight has to be our trip to the Buddhist centre. We learnt all about what Buddhists believe and shared our knowledge of what we have learnt in the classroom. We loved being in the shrine room and doing some mindful meditation thinking about the being kind and keeping 'our diamond inside shining'.

In maths, we have been multiplying 2 digit numbers by a one digit number. We emotionally came to the end of Edward Tulane this week and have reflected on the journey Edward has been on. What a changed rabbit! Our writing has also involved Edward Tulane this week as we continue to work towards writing a discussion text.

We started netball in PE this week and it was great to see the children have come to year 4 with some great skills and knowledge of netball and are keen to learn more.

## Year 5

### Class 5G & 5BT

It has been another very busy week in Year 5.

In Maths, we have started our new unit on fractions and the children did really well finding equivalent fractions.

Our Geography work on mountains has continued, with the children learning about the 5 different types of mountain and how they are formed. Ask if they remember!

In PSHE we are learning to celebrate differences; the children's responses have made us very proud and demonstrate what a tolerant and supportive group they are.

In Writing, we are continuing to build up our sentence construction skills to support us in writing an exciting alien story.

Finally, it was fantastic to see the Year 5s participate so maturely and respectfully in our act of remembrance on Monday.

Keep up the good work Year 5!

## Class 6BA & 6BL

This week, Year 6 have been getting arty! They have enjoyed experimenting with techniques to create tone and texture in Art, using watercolours. By using a watercolour wash, they have created a mood, inspired by their artist George Edward Marston. In Science, they have described how choices about nutrition can affect the body, including what scurvy is and how to stop it!

The children have finished writing their Lighthouse story and have done some fabulous editing on sentence types to include a variation to keep the reader interested.

All children have had a chance to log on to ReadingPlus this week in school. They have reading and vocabulary sessions to access weekly. Children have also discussed Emile. There are spelling, grammar and Maths tasks that they can be accessing at home. It is great to see the engagement and enthusiasm from some children!

## Attendance

### Attendance matters.

Coming to school on time, every day is vital to achieving the best possible outcomes as well as learning good habits which will benefit everyone in the future. Below is this weeks' attendance.

#### EYFS

Miss Cousins	98%
Miss Scott	96.2%

#### Year 1

Mrs Allenby	96.8%
Miss Scuffham	95.4%

#### Year 2

Mrs Stubbings	95.5%
Mrs McGuinness/Mrs Tipple	96.2%

#### Year 3

Mrs Clayton	99%
Mrs Wadley/Mrs Rowe	99%

#### Year 4

Mrs Smith/Mrs Winspear	92.8%
Mrs Murphy	95.2%

#### Year 5

Mr Bolton/Mrs Trousdale	96.5%
Mrs Gortzak/Mrs Winspear	96.7%

#### Year 6

Mrs Bates/Mrs Trousdale	95.5%
Miss Blakeley	95.9%

### Week attendance winners

Congratulations to Mrs Clayton's and Mrs Wadley & Mrs Rowe's Class

## Other News

Become a School Governor and make a difference at Newby and Scalby Primary School.

Ever wondered what a school governor does? Governors are essential in guiding our school. They work behind the scenes, helping to make important decisions about budgets, staffing, the curriculum, and school policies.

Why is it a great role? As a governor, you have the opportunity to make a significant impact on our children's education. You'll be involved in strategic planning, setting the school's vision and values, and ensuring every student gets the best education possible. Plus, it's a fantastic way to gain new skills and meet new people.

The best part? Anyone can become a governor! You don't need any special qualifications—just a passion for education and a desire to make a difference. We need diverse voices to represent our community, so whether you're a parent, a local business owner, or someone who cares about our school, we welcome you to join us.

To register your interest please email [admin@ns.coastandvale.academy](mailto:admin@ns.coastandvale.academy)

## Safeguarding

Ensuring our pupils are safe and well looked after is our key priority.

**Sarah Tipple**

Assistant  
Headteacher  
Designated  
Safeguarding Lead

**Ellie Cousins**

EYFS Teacher  
Deputy Safeguarding  
Lead

**Helen Wardman**

Inclusion Manager,  
Deputy Safeguarding  
Lead

**Adrian Vipond**

Trust Safeguarding  
Lead

All staff have received Safeguarding training to ensure that they can recognise signs and symptoms of abuse and also how to report/act if a disclosure is made.

Concerns about the safety or welfare of a child? **Contact us:** 01723 365686
