

What is Compass Phoenix? ?

- Compass Phoenix provides support to children and their emotional wellbeing and mental health.
- They provide support and guidance to the school and in some cases, directly with the child.

What help will they get? 🖐️

- They may provide specialist plans and resources to school to help your child.
- They may signpost to other support and resources.

Why do you want their help? 🙋?

- It will provide the school with more support and advice.
- It will help us put in place high quality interventions.
- It will help provide your child's wellbeing and mental health.

Who can I speak to about

🙋? this?

- Their teacher
- The SENDCo, **Miss Tymon**. Please ask the office to book a meeting.
- Visit the website <https://www.compass-uk.org/services/compass-phoenix/>
