

31st March 2025

Dear families,

Well done to Year 11 for completing their final round of PPEs in preparation for the GCSE and BTEC examinations. Students have received their results and papers back as soon as possible to maximise the time we have in lessons and interventions. Year 11 have been working through areas of strength and what action needs to be taken to maximise marks. Through assemblies we have debriefed Year 11 on:

- Exam behaviours and resources
- · Rewards and recognition
- Support and guidance
- Lady Lumley's Sixth Form

Every day, every lesson, every Study Plus counts! We regularly share with you the impact attendance has on results and earning potential and this couldn't be in sharper focus than now.

Now and Easter

We have ensured that Year 11 students have both the techniques and resources to support impactful revision over Easter. All Year 11 have received an exam support package at the 'Curry and 10 Weeks Until Success' evening. This has been updated this week as individual revision plans have been drafted.

The following table has a reminder on when Study Plus is for each subject and what resources are available for revision.

Subject	Study Plus	Revision Resource
Art	Wednesdays	https://padlet.com/pmcgrath18/art-resources-
	3-4pm	<u>6u97ivuv8lm2rnxa</u>

Supporting Wellbeing.

Keeping positive and drawing on a range of support during the build-up to, and the exams themselves will further enhance Year 11 success. In January all Year 11 were provided with resources to support their wellbeing, and students tell us these have been useful. This and additional support are available:

In school:

- Pastoral support. Students can access Mrs Gibbs (k.gibbs@ll.coastandvale.academy) and any member of the Pastoral Team for support as needed. This can be requested face to face, by e-mail (support@ll.coastandvale.academy) or through post boxes in school. External agency referrals can be made if necessary. Please phone or email.
- Students can access Key Stage Leader Mr Fairclough and discuss academic, behaviour, or attendance issues. Additional careers interviews are available.
- Students can access Wellbeing in Mind Team school drop-in sessions.

Out of school:

- The Wellbeing in Mind Team is offering online courses on the 24th of April there is one for exam stress for parents to support their child owellbeinginmind.mhst. More information is available on our social media sites and school newsletter.
- Students can access external support through links on the school website
 (www.ladylumleys.coastandvale.academy/for-pupils/pastoral-wellbeing/)
 Padlet has many links clearly marked by subjects, for example looking after your mental health.

Padlet: https://padlet.com/mheeley1/supportLLS:

Statement of entry

Year 11 have received their statement of examination entry to check, sign and return. The final version of these will be issued after Easter, please check these carefully. Please raise any concerns to our Exams Officer Ms Jemison (c.jemison@ll.coastandvale.academy).

Sixth Form

Mr Carter, Head of Sixth Form has enjoyed sharing with Year 11 the exciting plans our Year 13 have – university, apprenticeship and employment. Lady Lumley's Sixth Form Welcome Day is on **Tuesday 8th July 8:45am-1:15pm** and will be great opportunity to catch up with friends

after the exams and to plan a brilliant start to Year 12. Please contact Mr Carter with any questions (a.carter@ll.coastandvale.academy).

We are hoping the vast majority of Year 11 meet the criteria to be invited to **Lady Lumley's Year 11 Leavers Prom** on 25th June!

Finally, thank you for your continued support throughout the most important year of your child's education so far. A positive home/school relationship has one of the most significant positive impacts on results and next steps. We will keep in touch as we get into the exam series, before the proudest Thursday of all – Thursday 21st August 2025!

Yours sincerely

Clair Foden Headteacher
