

# Scalby School

*being the best we can be*

Dear Parents/carers,

In preparation for Y11, our students will be having a week of subject specific drop-down days in the week beginning Monday 8<sup>th</sup> July – Friday 12<sup>th</sup> July. This will help with the completion of various coursework and practical subjects which may have been affected by RAAC earlier in the academic year. It will also help plug any gaps identified from the trial exam series in the core subjects.

During these days, your child will be with a specific subject area rather than following their normal timetable. If your child is not part of a subject drop down day they will go to their normal timetabled lesson. The timetable for the week is shown below. Students will be given a separate letter with their class and room on it in preparation for next week. Should you have any questions regarding this, please feel free to contact me.

Monday 8 <sup>th</sup> July	Tuesday 9 <sup>th</sup> July	Wednesday 10 <sup>th</sup> July	Thursday 11 <sup>th</sup> July	Friday 12 <sup>th</sup> July
<b>Science practical day</b> – Students will complete various required practical experiments which are compulsory for their GCSE exams.	<b>English Lit day</b> – Students will study various poems and texts which are compulsory for their GCSE exams.	<b>Maths day</b> – Students will address misconceptions and improvements following on from their trial exams	<b>Option C Day – P.E, Drama, Business, Hospitality &amp; Catering, Product Design, Psychology, Geography, Triple Science</b> – Students will complete outstanding coursework or exam preparation theory.	<b>Option D Day – Sport, Health and Social Care, Music, Hospitality and Catering, Graphics, Art, Triple Science</b> - Students will complete outstanding coursework or exam preparation theory.

Yours sincerely,

Mr Philliskirk
