

12th November 2024

Year 11 Post 16 Applications

Dear Parents/Carers,

It's that time of year when we encourage **ALL** students to apply for college/sixth form or apprenticeships. The providers have asked if applications can be submitted no later than December 2024.

Provider details can be found on our school website. All applications are submitted online through the providers website. We encourage your child to visit the open events for the providers they are interested in to get a feel for the environment and ask questions about courses/subjects they are interested in. You will need to pre-register to attend these events. If your child is interested in an apprenticeship, I recommend the following website who hosts all apprenticeships, this website is constantly being updated [Find an apprenticeship - GOV.UK](#) Your child can apply to a number of providers and doesn't have to make their final decision until September.

Below are key dates for upcoming 'Open Events' -
